Gentlemen:

We are returning your invoice number 3002-1 under the cited contract which bills for costs incurred from 1 April 1960 through 31 August 1960.

Since paragraph 3 of the Schedule of Task Order No. 2 states "Funds remaining unexpended under this Task Order at the end of the Government's Fiscal Year on June 30th are not authorized for payment for work and services performed subsequent to the end of such fiscal year period," we are unable to process invoice 3002-1 for payment.

If you will resubmit this invoice with a breakdown showing the period these costs were incurred, we will expedite payment.

Yours very truly,

Doug
